PERFORM®

WATCH YOUR CHILD SHINE

— It's a joy to see our son's confidence grow each week.

Build confidence, boost concentration and make new friends

Perform weekly classes will boost your child's confidence, improve their concentration and give them a creative outlet to make new friends and have fun.

4–7 year olds enjoy a lively mix of energetic games, catchy songs and funky movement to help bring out every child's true potential.

7–12 year olds work with inspiring professionals learning skills for life and putting on a specially written show that gives everyone a chance to shine.

With child development at the heart of everything we do, our warm, friendly teachers provide a unique learning experience for your child as well as the best fun of the week.
