Y3 Freeze Frames

Y1 BLIND TASTING

Yesterday, in science, we tasted different types of food. We had to close our eyes, and then put the food in our mouths and then we had to guess what it was. It was funny eating food when we couldn't see it, but we could taste it and we could smell it. We eat some orange, some apple and some banana. It was a really fun lesson.

*Max & Maisie (Orange Class)*

We enjoyed creating different freeze frames from *Ug Boy Genius Of The Stone Age*. In my scene I was making a rock round so it would roll down the hill.

### 4A CONFLICT RESOLUTION

In RE we learning about conflict resolution. We had to act a freeze frame where we were hurting each other and another where we were being kind to each other. We learnt that we may resolve a conflict by making compromises and saying sorry and the key word, I forgive.
