

Yesterday, we went to Kingston Grammar School to play in a netball tournament. We played five games and won three of them, getting in to the semi-finals. It was very cold, but we had a fantastic time!

Yea Eun, Isabel & Cliona (6B)

## NETBALL TEAM SUCCESS

### YELLOW CLASS ELEPHANTS

### RECEPTION VETS WEEK

## RED CLASS VEHICLES

We were finding out lots of interesting facts about volcanoes. Once we found the facts, we had to write them on our desks. It was a very fun way of learning and we should do it again! It was also very exciting finding out things we did not know before.  
*Phoebe, Emily & Alex M (4A)*

I learned that when the plates pull, apart the mantle squirts up – we used tomato ketchup and toast!  
*Edmond (3H)*

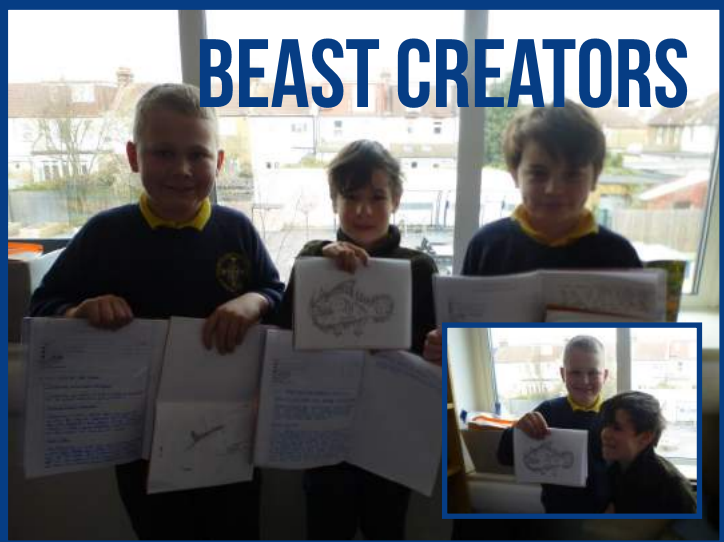

In Year 5 & 6 we have been creating our very own creatures. We had to think about our beasts - what did they look like, were they a master of disguise, how did they move? We then wrote a non chronological report about our animals. It was an awesome experience!

*Lucas, Arek & Woody (5S)*

We made these creatures out of a choice of plasticine, Lego or drawing them.

*Joe, Luke & Jayden (6S)*

## BEAST CREATORS
