

Y2 SINGING WORKSHOP & PERFORMANCE

On Tuesday, we went in the hall where Mrs Bond and some teachers from Kingston Music Service taught us some songs. On Thursday, we practiced the songs more, and then put on a performance for our parents. It was one of the best days of year 2, so far!

This morning, we went to a tag rugby tournament. We played 7 games and we won 5, drew 1 and lost one. We came second out of fourteen teams, and it was the first time we had played as a team!

Y3 & Y4 TAG RUGBY

Today, we had a competition in a special assembly for international day. Our class won! This was because Dexter ran fast, Callum was born the furthest away (Australia) and Mei sang beautifully!

INTERNATIONAL DAY

MILO THE READING DOG

In International Day, everybody came dressed in different outfits. Some people wore clothes from a country that was special to them, some in the colours of a flag and somebody dressed up as Donald Trump! In Year 5 & 6, we got to make and eat bibimbap with a famous Korean chef, we did country dancing, which was fun, made turkeys out of hand prints and learnt about the war in Syria. In assembly, we had a quiz about food that people eat in different countries, we are glad we don't eat guinea pigs, like they do in Peru! It has been a great day!
