

SUNSHINE AT WISLEY

It was fantastic when we were building our sculptures and we had fun in the Wisley classroom making bookmarks!

Y6 MAGISTRATES COURT

We went to the magistrates court in Lavender Hill and went to the cells where the people in custody are kept. We also went to the court room and heard everything about how courts work. Then we acted out a wonderful play *Dennis in Fulham*. Both classes found him guilty and he got three months community service, though we thought he should have gone to prison. It was a really different trip to the usual ones and the court people said we were the best actors they had ever had. Asher, Isabel, Amelia (Y6)
