

Maths home-learning 22<sup>nd</sup> June 2018

Draw the shapes below in the correct place on the table.

Colour all the quadrilaterals in a coloured pencil.

Polygons	Non-polygons

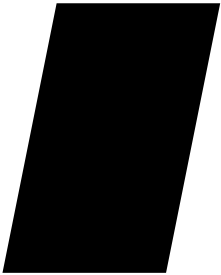

*I know that this shape is a polygon because...*

\_\_\_\_\_

\_\_\_\_\_

\_\_\_\_\_

\_\_\_\_\_

*Is this shape anything else too?*

*Guess my shape...*

1.) *I am a polygon with 3 straight edges what am I?*

2.) *I am a polygon with 6 straight edges what am I?*

3.) *I am a non-polygon with 1 curved edge what am I?*

**Challenge:** *Can you create your own "guess my shape" for an adult at home, and see if they can guess your 2D shape!*
