

ROARRRR - IT'S THE DINO DOME

The Dino Dome was amazing! We learned about what happened when the explosion happened and the dinos died and became fossils. It was really good to see all the dinosaurs.

RECEPTION

SPORTS REPORT

On Tuesday, one of our Year 5 girls' teams participated in a football tournament at Chessington Community College. We played six matches, won one, drew one and the rest were very close matches. "We had lots of fun and enjoyed playing together as a team. We look forward to training to work on our passing skills."

Phoebe, Emily, Eleanor (Y5)

This week, we went to a swimming gala. In the heats, we did six solo strokes and four relay races. Two of our soloists (Olly W and Isabel M) and one relay team (Ollie BS, Olly W, Yoon Sung and Carter) got into the Finals because they finished in the top two. Also two of our swimmers (Maddie and Carter) finished third. In the Finals, Isabel and Olly W got silver medals and the relay team came fourth. "We had a lot of fun with our team and swimming against other schools."

Ollie BS, Naomi & Jemima L (Y6)

We dressed up as Tudors and created a play based on Henry VIII's divorced from Catherine of Aragon! *Lucas (Y6)*
