

YEARS 4-6 MUSIC CONCERT

Year 3—Lego Superheroes

Fantastic Gymnastics!

Soap carving

During Tudor times scented soap became a 'must-have' item. Year 6 have been busy carving their own soap which will be on sale at the Christmas Fair.

ICE INVESTIGATION

It was interesting because we found out how cold it has to be to freeze - 0 degrees. It was cool when we watched the frozen hand because the fingers started to bend. The fingers melted first because they were the smallest bit of the hand.

Laura and Rosie (Fox) and Lucy (Hedgehog)

Making number bonds to 5

Year 1 have been learning about the equals symbol. We used scales and worked on addition number sentences in pairs. Using scales and cubes we learnt that the equals symbol means there is the same amount of things on both sides of the symbol.

YEAR 4 SUPER HERO FREEZE FRAMES
