Following this, we gave an opportunity for ten Year 5 pupils to put their learning into action by supporting the Infants at their Sports Day.</li> </ul>

We continued our discussions with Real PE, with the goal of obtaining updated, implementable, fit-for-purpose, indoor Games planning, which will help us to improve the return on our previous considerable investment in their scheme and to provide indoor games lessons for our pupils that provide progression and a broad coverage of skills. Assessment of these schemes is ongoing.</li> <li>• We enlisted the help and support of professional coaches from the FA LIDL programme, Rugby League Foundation, FA Wildcat (girls’ football) programme, AFC Wimbledon Foundation and Chance to Shine cricket scheme to provide the opportunity for <b>200 children and 8 KS1 and KS2 teachers</b> to improve their practical knowledge and understanding of the skills involved in these sports.</li> <li>• We promoted our sports apprentice to the role of Sports Leader, which enriched PE lessons across the whole school via both lesson shadowing and through efficiency gains by enabling equipment to be set up prior to the children arriving for the lesson and to be put away after the children returned to their classrooms.</li> <li>• Both the PE Coordinator and the Sports Leader attended three KSSP PE leader subject meetings and three KSSP-provided CPD sessions on netball, gymnastics and cricket.</li> <li>• We purchased PE equipment including gymnastic mats, netballs and footballs.</li> </ul>
