We had to balance. I climbed and I balanced and I did with the hula hoop. I was climbing and I was jumping and I was jumping in the circles.

YEAR 4 FACE THE MUSIC

We had to listen to music and work out the intervals between notes in a tune and then play it ourselves on the glockenspiel.

May & Lola (Macaw)

It was fun making the salt dough sculptures of all the Bible stories and it was fun painting them the next day as well, as we used different colours and I loved painting them! Some people did hearts, some people did crosses and some people did boats and most people liked the stories. I made the miracle when Jesus told them to fish this side and then hundreds of fish got on the boat. The next day, when I painted it, I had so much fun because I did it with Olivia!

Jack, Thomas & Grace (Lion)

We did the miracle when Jesus fed the people with bread and fish. Jesus was talking to 5,000 people and they were all hungry and Jesus turned five loaves of bread and two fish into enough food for everyone. This was a great lesson!
