

## What we like about our school...

It is a **caring environment** with a **wonderful spiritual life**. Our children come home **singing songs** they have learned in assembly. There is a **strong focus on academic without the children feeling pressured**.

**A kind and caring school that feels more like it belongs in a small village than a busy town.**

**Teachers and head teachers know and welcome children by name.**

There is a **strong Christian ethos, effective leadership and outstanding outcomes**.

It has a **caring and nurturing** feel. It's not too big.

**Family village feel. Real sense of community.**

**Caring environment. Passionate teachers. Christian ethos**

My children have **exceptional teachers** who seem to really understand them and at parents evening can give an **honest and open** account and do not have anything to prove.

School **listens and responds** to feedback.

The **love and respect** you have for children and parents, the **Christian ethos**

My son is **extremely happy** to go to school each day.

**Communication is brilliant.**

**Warm and friendly** feel - community school where **children are put before government agenda**.

**Community atmosphere and friendly families**

**A strong sense of community and good leadership.**

**Friendly atmosphere and caring staff**

How it **feels like your child is so special** and **how approachable everyone is**

I value the **friendliness and warmth** of the parents and the staff.

Its **close knit environment** and **every child is treated as an individual**

There's a lot **of love and kindness** shared by staff and children

The **sense of community** and a **village feel** - the **children seem connected to each other and always happy**

It's like **a big family with great teachers**
