

PARK TAKEOVER!

After all their hard work during SATs, Year 6 and their teachers got a well earned break last Friday with a trip to Beverley Park.

The Juniors had great fun, at the same time raising an astonishing £411, soaking teachers with wet sponges on Thursday. A big thank you to all our brave volunteers!

A team of year 6 boys took part in a Kwik Cricket competition at Kingston Grammar School on Wednesday. They were unlucky in the first match, losing by 3 runs on the last ball. In the second match they did really well, scoring over 100 runs but unfortunately it wasn't enough to qualify.

Respect Week

We are making Respect paper chains and writing nice things on them. It was nice working with year six. We were learning about respect with the year 4s and made paper chains with compliments on it. Monday was amazing, I got to do activities with year 4 class and I felt like I was in year 4 again.

Rose, Yoon Sung & Tom (Macaw & Kipling)

Lion and Durrell

Tiger and Herriot

Squirrel & Fox

It was great fun working with a partner. Our bucket was over flowing!

MEETING OUR MP

Miss White and some of our governors met with Zac Goldsmith this week to discuss the need for more funding for schools.

KINGSTON POLICE VISIT

Kingston Police came to talk to Years 5 & 6 about internet safety and how to keep safe in difficult situations. "They were really kind and taught us about privacy settings."
Naomi (Kipling)

Infant Playground

A huge thank you to all our families who came in over the weekend and transformed our natural area and repainted our playground. What a transformation - it looks absolutely fantastic and has been a big hit with all the children!
