

SKIPPING WORKSHOP

The Juniors had great fun at their skipping workshop on Monday. The newly painted lines in playground worked really well and we were very proud of all the children who behaved beautifully.

Houses of Parliament

I really enjoyed going to the Houses of Parliament as we saw everything we would usually see on T.V. We did a workshop where we met our MP Zach Goldsmith and he answered all of our questions. We also got a badge and VIP pass. We Now I know which room is the House of Lords and the House of Commons. My favourite memory was when we got to see the Queen's throne.

Millie (Herriot), Lucy (Potter), Amelie (Lion), Sebastian & Mei (Macaw), & Florrie (Tiger)

EXPLOSIVE SCIENCE EXPERIMENT

We put Mentos in the fizzy drinks and the cherry drink explosion went the highest! The cherryade went really high so that was in first place. I thought it was amazing!

Girls Kwik Cricket

Well done to our Year 6 Girls Cricket team who took part in a Kwik Cricket competition on Wednesday. They won both box matches and managed to get through to the quarter finals. A great effort!

Mr Newman

MIXED TENNIS

Our Year 5/6 tennis team participated in a competition at Surbiton Racket and Fitness Club on the Thursday before half term. They had a great day and played really well.

Mr Newman

In Owl Class, we have been looking at where the UK is on a world map. We looked on Google Maps and then learnt how to use an atlas!

Geography

In maths, we played a fun, educational treasure game where we had to gain points by translating our gems. Each set of coordinates will give you points - the person with the most amount of points win! It was so much fun!
