

## Reception Ship Ahoy!

We wore summer beach clothes. I liked cutting the spaghetti. I liked paddling my feet in the water. I liked popping the bubbles.  
*Vinnie, Milly, Alice & Lucas (Seahorse)*

# Nursery Cafe

This week in Rainbow Nursery we invited parents and friends to be our customers and we were the waiters and waitresses! We made menus to give to our customers. We had to pour the drinks carefully and offer some biscuits too. Today we were the customers and the teachers were the waitresses!

I loved watching the volcanoes erupting. Thank goodness it wasn't real lava! It was really funny when Rosie put too much baking soda in her volcano!

*Megan & Jaymin (Hedgehog)*

## Snail hunting

Year 1 have been pondering whether it's possible for snails and gardeners to be friends and have produced some excellent pieces of writing.

## VOLCANIC FUN

The trip was fun and I really liked it. We got these trays and we found sticklebacks, bloodworms and damsel flies. We also saw a grey heron!

*Kristina & Ted (Lion)*

## GREEN LANE VISIT
