

YEAR 2 FOOTBALL FESTIVAL

The hardest match was against Robin Hood School but we played pretty well. Next time we are going to try even harder. The best bit was in the last game when I scored 3 goals! It was tricky but I played well!

Libby, Alexander & Taeyang (Fox & Hedgehog)

Harvest Service

I'm so happy that I got this opportunity to speak at the Harvest Festival. It is really good as all my friends bring in food to give to the church. Me and my friends like to look at the stained glass windows as all of them each have a special story behind them. I love hearing all about God and how he loves everyone. It's so fun when you get to speak behind a microphone and everyone wants to hear about what you're going to say. I felt so honoured when my name was called to speak at the harvest festival. I will never forget the overwhelming drive of stepping on to the stage with the microphone in front of me. This is definitely a huge highlight of being a CCNM student. I'm going to really miss Christ Church when I leave. *Chloe & Millie (Kipling)*

ALL WRAPPED UP!

My class and I made delicious wraps, it was so fun. We added tomatoes, sweetcorn, salsa, cheese and lots more. My favourite moment was when we ate the Mexican wrap! We split our wrap in half and shared it with our partners. The humus was so tasty!

Scarlett & Leah (Macaw)

Year 4 Girls' Football

We all had so much fun. I was impressed we didn't lose all our games, and we worked together really well. It was my first tournament and scored my first goal!

Janae & Annabel
(Lion & Eagle)

Duckie's Rainbow

Nursery have loved reading the story of *Duckie's Rainbow*. We have been singing a song about the colours of the rainbow: we even learned indigo! We practised using scissors to cut out a rainbow. We have now set up our mud kitchen in the garden and learned that we need to put on an apron or we'll get really muddy!

We used toast to make different mountains and some of the mountains had 3 plates that pushed together and others had one or two plates that pushed together. When there is magma inside, it's a volcano. I never knew that that's how mountains were formed and I learned that, and it surprised me!

Max & William (Lion)

TOAST MOUNTAINS

GIRLS' FOOTBALL

Our Year 5 and 6 Girls' Team went to Chessington School last Tuesday to play a qualifier. Of the five games, we won three, drew two and only conceded one goal. This meant we won the tournament, qualifying for the Borough Cup finals in December. Fantastic result!

Mr Newman

Macaw & Owl

I liked meeting my nice, new chum. I liked the book that he picked for me and I think we will have good memories together. I really like him. At chums I had fun because I read a book to my chum about dragons. Chums afternoon was one of the best days so far. We had lots of laughs.

Jack, Zaki & Alexander F (Macaw)

Chums Visit

We had a great time meeting our Chums for the first time. We read them stories and we tried to find out interesting facts about each other: Annabel and Alice found out that they both believe in unicorns. Daniel found out that Stefanos loves chocolate. We got to share our recipe for a 'tortilla wrap', which Squirrels took home. Some people have already made them but if you haven't, maybe you can try it over half term.

Alexandros and Alex (Eagle)

Eagle & Squirrel

We learned about teeth and bones. The three teeth we have are molars, incisors and canines. I enjoyed learning lots of new things because I don't know much about history. Our favourite bit was learning about human biology.

Akira & Grace D (Lion)

Natural History Museum Visit

Y6 FRIENDLY FOOTBALL

Our Year 6 boys' team played Corpus Christi this Wednesday. It was a very tough and close game with both teams having chances to win. The boys played very well and showed good character. The final score was 6-6. *Mr Newman*

Y4 football

The boys played extremely well at Kew Ground yesterday despite the heavy rain. We won 3 convincing match's and drew 1. Well done boys!

Mr Newman

Nursery huff & puff!

We enjoyed the story of the Three Little Pigs. We retold the story using props. The wolf huffed and puffed but he couldn't blow down the house made of bricks!
