

Year 2 go on a Christmas Journey

I loved when we saw the Wise Men. We had to shout to wake up Joseph. I really enjoyed making the stars! It was so much fun.

Richmond Park Run in aid of JDRF

60 children and parents from the school joined Oli and his sister, Alice to run 5k in aid of JDRF, the type 1 diabetes research charity on Saturday 30th November. It was absolutely freezing and many of them were running 5k for the first time. They all did a wonderful job and everyone who started finished. The total raised so far is £2,700 so Oli has now raised over £10,000 for type 1 research - quite a feat for an 8 year old.

Tennis Team

We played in a dome and it was hard to breathe inside it! Aaron and Alex won all their games! Florrie won 1 game and Scarlett won 2. Overall we had an amazing time.

Perform At The Baptist Church

We were very happy to make it to the final. We won 2, lost 2 and drew 3 which put us in 7th place. We all worked really hard and were very proud of how far we got! Also it was a great experience and Mr Newman was a great coach. We got very wet!

CHARITY WALK FOR PEACE

On Wednesday 4th December, a few of our children attended the Charity Walk for Peace 2019 Cheque Presentation Ceremony at the Baitul Futuh Mosque Complex. They went up on stage to receive their presentation cheque for over £4,000 and were excellent representatives of our School.

A CHRISTMAS JOURNEY AT THE JUNIORS

Before performing the Christmas Journey we put a lot of practise into it. It's surprising that the teachers could make us do it in 1 week. The performance was perfect and we all enjoyed it. It was fun when some people sang 'We Wish You A Merry Christmas' at the end.

Y6 BOYS FOOTBALL

We went on Tuesday to play in the Borough Final. We played really well despite the rain and ended up in 5th place out of 30 schools.

We had the tea party because we had been good at attendance and people had been here every day! I enjoyed all the food and doing 'cheers'!
