

Fire Engine Visit

The fire truck has a hose on it. I got to sit in the truck. I like the hose, The fire fighters use the hose to clean up the fire. They put out the fire with water. It has a bell and they ring it for fire. It goes neenah, neenah. They come when fire comes. They can make us safe and teach us how to be safe with fire alarms. They wear suits to keep them safe, They don't want to get a burnt face. They have special shoes that protect their feet. Miss Webb stood on the fireman's shoes and he couldn't feel it. *Henry, Adyan, Willow, Nicole, Matilda & Charlie (Seahorse)*

GIRLS' FOOTBALL

We won all our matches apart from one which we drew 1-1. Our first match was a huge success as we thrashed the first team 10-0! Everybody played really well and we were very happy to get through to the next round. It was very cold and started raining right at the end. We had a lot of fun!

Eleanor & Lola (Antelope)

Mondrian Art

Mondrian 'only' uses primary colours - red, blue and yellow. We stuck black lines into the pictures. *Harrison & Emma (Squirrel)*

Hi5 Netball

The netball tournament was really fun. We played 4 games; we won 2, drew 1 and lost 1. Unfortunately, we didn't win, but had a great time and played really well.

Phoebe, Eleanor, & Gracie (Potter)

We went into a big room that was 60 metres wide and 23 metres tall. They do 5 prayers a day plus a special prayer on Friday. Prayer 1 is called Fajr, Prayer 2 is Zohr, 3 is Asr, 4 is Maghrib, 5 is Isha and the special Friday one is the Jumma. Before we went into the mosque, we had to take our shoes off. The men and women get separated when they pray so they don't get distracted. Only boys under 16 can see women's/girls' hair. *Jake & Mei (Gazelle)*

BAITUL FUTUH MOSQUE

Bread Investigation

I think the bread that was rubbed on the toilet seat will be disgusting! I wonder what germs look like.

Seb & June (Hedgehog)

EMERGENCY VEHICLES

Rainbow Nursery children have been learning all about emergency vehicles. They were lucky enough to have a visit from the local fire fighters and had a chance to climb into their fire engine. They have painted fantastic fire engines too and have learned a new song "Five little firemen standing in a row". They have spent a lot of time putting out fires in the nursery when they pretend to be fire fighters!

JUNIOR CITIZENSHIP AT CHESSINGTON

Chessington Junior Citizenship Day was a blast. There were many different activities and we were put into teams. We got points and the team with the most points go a certificate. I loved it! Unfortunately my team didn't win but we still came in the top three. I also really enjoyed how everyone got a mini prize at the end. It was incredible as we got to meet the police, fire brigade, paramedics, Natwest and TfL. We learnt about safety and how to take matters into our own hands. My favourite part of the day was when we learnt about not walking off with strangers and about fire safety. I had fun.

Lisa, Chloe & Robyn (Kipling)

YEAR 1 AND 4 CHUMS VISIT

We made a Mondrian picture in the playground with our chums. We showed them the new playground. I really enjoyed showing my chum the new playground equipment. They spun us so fast! It was really fun when our chums came. I played with two chums this time! We built stick pictures using a variety of sticks and scarves. After we built it Mrs Honeybone asked how the picture made us feel and most people said happiness. Then we played on the exciting climbaround.

Emma & Daisy (Squirrel), Ethan & Yusra (Owl) & Alex & Beatriz (Eagle)

Sewing Skills

It was so much fun designing and making our bags for Florence Nightingale. We learned how to do a backstitch! We also had to sew on a handle.

Arthur & Rick (Fox)

Making Reebops

In our science lesson we made things called 'reebops'. They were really fun to make and it was exciting to see what they were going to look like. To make them we had to fill in a sheet and put coloured rocks behind our backs and then our partner would do the same, then we had to fill in our answers and that would give us the genes of our reebops. I really enjoyed it!

Ethan (Potter)
