If you choose to copy the previous order, the whole order will be transferred, and you will have the ability to delete or add more meals from this screen.

2. If you have multiple child profiles on your account, you can view their meals by selecting their name from the top left hand side of the screen

### Top Tip: Stick it on the Fridge!

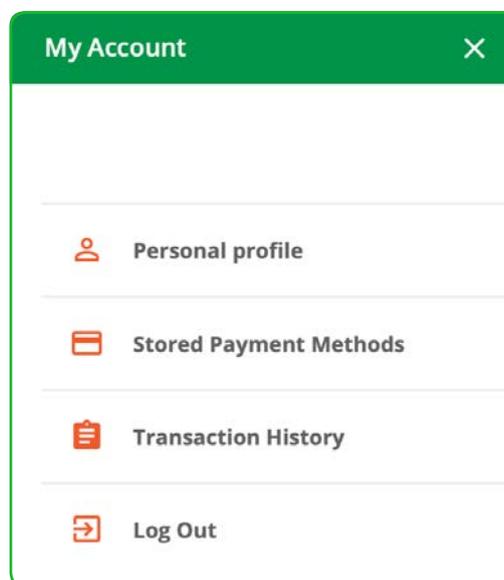

You can print this calendar by selecting the print icon on the top right hand side of the screen. Why not place it on the fridge so your child can see what's for lunch every day?
